

THY KINGDOM COME

Celebrating 50 Years of Kingdom Building with

\$100,000

You are invited to celebrate the past 50 years of kingdom building ministry and dream about the kingdom to come in the next 50+ years at Christ the Servant. Consider a special gift to create a more hospitable building and extend our support in the community!

Priorities of the Appeal:

\$10,000 TITHE

We will give 10% of total donations to the organizations we currently support beyond our annual benevolence including Cornerstones, Fellowship House, Lutheran Social Services (LSS), Reconciling in Christ (RIC), and Virginia Interfaith Center for Public Policy (VICPP)

\$15,000 NEW HVAC

The HVAC unit that heats and cools the offices, classroom, and bathrooms is original to the building (40+ years old) and at the end of its life. We will replace this unit and improve our energy efficiency. *(installed this summer due to failure of old unit)*

Christ the Servant
LUTHERAN CHURCH

\$75,000 NARTHEX RENOVATION

We hope to create a more welcoming, accessible entrance and gathering space. We will be exploring:

Creating a more welcoming narthex with fresh paint, comfortable furniture for conversations, warmer lighting, and functional spaces for gathering.

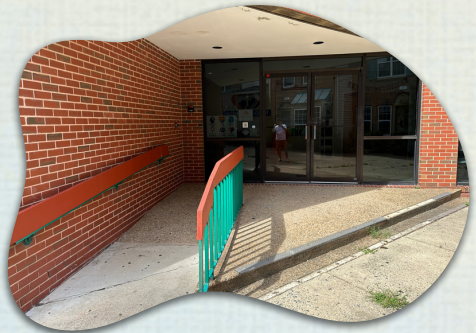

Concept Art

Replacing or refinishing sanctuary doors that are showing their age.

Better accessibility through the front entrance for all people, especially people with mobility limitations.

Removing the center column between the classroom doors to create a more functional community space.
