

Christ the Servant

LUTHERAN CHURCH

Welcome to Christ the Servant!

At the beginning of every worship service, I say that *you* are a blessing to us. I stand by that statement and believe it to be true! In a period of time where church attendance is on the decline and Christianity is no longer the religion of the majority in the United States, for anyone to walk through the doors of a church is a blessing to that congregation. I deeply believe that each of us is uniquely gifted and called to share and support in the mission God is inviting us into. And I believe that the Spirit has led you right here for such a time as this! The gifts you bring with you are a blessing to this community of faith whether you know what those gifts are or not.

It is my hope that Christ the Servant will lead you to:

- **EXPLORE** your faith in new and exciting ways that help you deepen your relationship with God and with a community of faith!
- **DISCOVER** a place where you belong based solely on your humanity and everything that makes you, you!
- **LIVE** your life in a new way recognizing the gifts God has given to you and putting those gifts to work, loving God, loving people, and making disciples!

No matter what your faith journey has looked like up to this point, I hope you find Christ the Servant to be a place you can dig deep, be your full and complete self, and find a space of peace, a set aside, holy place for rest. I am grateful that you are willing to explore this faith community. I am grateful that you are considering trusting us to walk with you on this journey. I am grateful that God has led you to us!

God's Peace Be with You!
